The kind and generous contributions of the organisations that provided financial support to the National Malleefowl Forum should be highlighted. The Murray Mallee Partnership, Parks Victoria and the Mallee Catchment Management Authority provided sponsorship equating to the 'gold sponsorship package'. Murray Basin Titanium; Iluka Resources; Mildura Rural City Council and Trust for Nature also provided generous financial contributions. Without the support of all our sponsors we would not have been able to deliver such a successful National Malleefowl Forum.

The Victorian Malleefowl Recovery Group were proud to host the National Malleefowl Forum and wish to thank the contributions made by everyone to ensure the Forum was a success and also well attended and enjoyed by all participants.

The organising committee comprising representatives from various states, government and non-government agencies provided invaluable assistance in developing the programs, organising speakers and assistance throughout the planning and duration of the Forum. Organising committee members included:

Mildura Rural City Council
