Victorian Malleefowl Recovery Group Inc

Annual Reporting Back Meeting

Date: Saturday 27th April 2019

Time: Lunch 12:00 **Meeting:** 1:00 – 4.45

Venue: Northern District Health Service

24 Fitzroy St, Kerang

Dear VMRG members and friends,

I would like to invite you to our Reporting Back meeting at Kerang on the 27th April.

The programme is similar to last year – lunch available on arrival before commencement of the meeting around 1pm. I suggest you arrive about 11.30 am to settle in – the venue will be available from 10.00 am.

As in previous years Joe Benshemesh will give an overall summary of VMRG's monitoring results and Tim Burnard will report on the National Malleefowl Team.

John Olsen will give an update on significant committee activities.

On Sunday 28th April, for those interested, there will be an excursion to Goschen Reserve, which is about 45 Minutes north-west of Kerang. It's a very popular spot for birders looking for Mallee species, although not Malleefowl.

Saturday's evening meal will be at the Royal Hotel, 60 Victoria St. Kerang.

Accommodation – there are a couple of caravan/camping parks in Kerang as well as a few motels or hotels. The best source of information about these is the Visitor Information Centre web site www.visitkck.com.au

To assist with catering on the day, could you let me know if you are coming to the meeting, as well as if you intend to have the evening meal at the pub please?

Sunday's excursion is entirely self-catering.

I am looking forward to seeing you on the 27th.

Regards,

Robyn

Secretary, VMRG
